

J105 Class Sail Declaration Form

By sending this form, you are declaring that the sails you will be using during the 2005 season are all listed on the J105 Class Website (<http://www.j105.org/sailreqlist.php>) - unless they were delivered before 1/1/2001 - and will be in conformance with Class Rules in Section 6 (Sails). Remember that only one main, two jibs and two chutes may be used on any weekend of racing BUT:

- the second (backup) spinnaker may be deployed only under very restricted circumstances (see Rule 6.3 and Rule Interpretation RI-03-03 – which has a 20kn true wind minimum); and
- if two jibs are deployed, one has to be "used" and only one jib can be on board on any particular race day. A "used" jib is one that has been flown as the primary jib of the boat for one entire season, but no less than 12 race days. See Rule 6.3, 6.8 and RI 02-18.
