

## **FLEET 15 ADDS NEW BOAT, 3 NEW MEMBERS**

**By Richard C. Payne, Fleet 15 Secretary**

On 22 August 2008, the sister-brother team of Cyane and Will Crump purchased the former “J Makin’ Waves” (Hull number 210), a veteran of J/105 one-design racing in Annapolis and elsewhere on the circuit, and are bringing the boat to Fishing Bay Yacht Club to join Fleet 15. The boat’s new name is “She Crab Soup,” and it becomes the sixth J/105 at Fishing Bay Yacht Club and the eighth boat in Fleet 15. The Crumps plan to race the boat in the Stingray Point Regatta Labor Day weekend and the FBYC Fall Series. They also hope to compete in other J/105 events on the east coast.

Cyane and Will are the children of Bev Crump, long time crew on Strother Scott’s “Loose Cannon” (hull number 517). Will’s wife Marie has also joined Fleet 15 as an Associate Member. Fleet 15 gives a hearty “Welcome Aboard!” to our second generation J/105 racers.
