

**PRICE INCREASE**

Please note that, effective immediately, the cost of J/105 sail tags will be increased from \$25 to \$35 per vote of the Executive Committee on October 28, 2004.

Note also that there is a new registration form to be used for sails delivered after 1/1/2005. On it you are required to certify that you can document that spinnaker sailcloth meets the class minimum of 42 gsm. This is especially necessary for sail cloth whose advertised weight is 40 gsm.

Finally, please make sure you are up to date with your sail registrations. Below is the list of sail makers with one or more tags outstanding. Please get all your registrations in so that your customers are not prevented from sailing at Key West and other regattas.

Everything you need (including the registration form and list of sail tags) is at:  
<http://www.j105.org/sailmaker/>

Cheers,  
Nelson Weideman  
J/105 Class Secretary/Treasurer
